ORIGINATING OFFICE: OFFICE OF POLICY, RESEARCH AND SYSTEMS

Summary:

Historically, Social Security Retirement, Survivors, and Disability Insurance (RSDI) and Supplemental Security Income (SSI) benefits have increased each year. This is usually true for Railroad Retirement and Veterans Benefits also. The mass change process to take these changes into account for cash assistance, food stamps and medical assistance purposes is described in this transmittal.

Action Required:

Effective January 2002 Social Security (RSDI) and SSI benefits will increase by 2.6 % and Railroad Retirement and Veterans Benefits will also be adjusted by the same percent. Local Departments need to take these changes into account in all affected programs according to the procedures outlined on the following pages.

NOTE: Count the increase for all cash assistance, medical assistance and food stamp cases beginning with January 2002 benefits. There will be a mass change on December 9, 2001 to update the RSDI, SSI, Railroad Retirement and Veterans Benefits for ongoing cases effective January 1, 2002.

II. PAA Assisted Living and Project Home Cases

In addition to the RSDI/SSI cost-of-living increases, effective January 2002 Project Home and assisted living rates will increase as noted in the Rates and Per Diems chart. The increase complies with Federal requirements on State supplementation levels.

For new PAA applications approved in December for January 2002 benefits, use the new RSDI/SSI amounts and/or Project Home or assisted living amount, as applicable.

PAA cases in adverse action status will be updated in the mass change.

Attached to this Action Transmittal are copies of letters to be sent to operators of Project Home and licensed Assisted Living facilities to explain these changes.

III. Increase In Railroad Retirement Benefits

Railroad Retirement (RR) benefits will also be adjusted in the mass modification for January 2002.

IV. Increase In Veterans Benefits

The cost-of-living increase in the VA pension program will also be 2.6% effective January

2002. Veterans Benefits will also be adjusted in the mass modification for January 2002.

V. Long Term Care Medical Assistance Cases

The mass change will adjust the available income and send a notice to the customer and facility.

VI. Community Medical Assistance Cases

Adjustments in these cases will be done by the mass change. The changes will be effective in all active cases, including those preserved for Spenddown.

VII. Coverage for Certain Former SSI Recipients under the Pickle Amendment

The annual review for potential Pickle eligible persons is to be conducted as noted in Action Transmittal #00-12.

VIII. CARES

On **December 9, 2001**, the Social Security and SSI cost-of-living income adjustments (COLA) will be made to CARES Assistance Units (AUs) in active or spend-down status. This process, referred to as Mass Modification, causes all assistance units to be put through batch eligibility. Batch eligibility examines each AU for all eligibility factors and determines program type, AU status and benefit level. Case managers will receive an alert (#224 Grant Changed in Batch) for any AU with a change in status or benefit level. Also produced, if applicable, are adverse action notices.

CARES will also update the SSA and SSI income fields on cases that are in an active no pay status, providing such income is present on the UINC screen. However, eligibility will not be calculated or notices produced until the case is reactivated. Cases in a pend status with SSI or SSA income should be reviewed so that the income is correctly reflected for January.

Operators of Project Home Facilities

Dear Sir or Madam,

Effective January 2002, Supplemental Security Income (SSI) and Social Security benefits will increase by 2.6%. This means that the customer receiving SSI or a combination of SSI and Social Security benefits should receive an additional \$14.00 per month. Recipients of Social Security benefits only should also be receiving an increase. For those customers that receive SSI only, the SSI payment amount will increase by \$14.00 to \$545, effective January 2002.

The amount the State allows for Project Home levels A, B, C and D and Assisted Living will also increase effective January 2001. Levels A, B, C, D and Assisted Living will increase to \$611, \$720, \$1008, \$1211 and \$729 respectively. The reason for the increase is the need to comply with Federal requirements regarding payment levels states must maintain for certain classes of SSI recipients. Customers will continue to receive \$82.00 for the personal needs allowance.

If customers under your care get Social Security/SSI benefits, there may be changes in their public assistance checks effective January 2002. Local Departments of Social Services will be notifying customers concerning any changes in the amounts of their public assistance checks effective January 2002.

Please inform customers under your care of these changes. If you have questions, please contact Rick McClendon at (410) 767-8513.

Sincerely,

Charles E. Henry, Executive Director
Family Investment Administration

Operators of Licensed Assisted Living Facilities

Dear Sir or Madam,

Effective January 2002, Supplemental Security Income (SSI) and Social Security benefits will increase by 2.6%. This means that the customer receiving SSI or a combination of SSI and Social Security should receive \$14.00 more per month from the Social Security Administration. Recipients of Social Security benefits only should also receive an increase.

For those customers receiving SSI only, the SSI payment amount will increase by \$14.00 to \$545.00 effective January 2002. The amount the State allows for Assisted Living will be increased to \$729, and the amount the customer is allowed for personal needs (\$82.00) will remain the same. If the only change in the customer's financial situation is the Social Security/SSI increase, then the customer's public assistance check will decrease effective January 2002. Local Departments of Social Services will be notifying customers concerning the change in the amount of their public assistance checks effective January 2002. The customer is responsible for paying for their care with the income they receive.

Please inform customers under your care of these changes. If you have any questions, please contact Rick McClendon at (410) 767-8513.

Sincerely,

Charles E. Henry, Executive Director
Family Investment Administration
