Based on the most recent Consumer Price Index (CPI) for the Baltimore/ Washington area, the standard and limited utility allowances will increase. A recent survey of telephone service providers indicates that phone rates have gone up this year. The telephone allowance will increase slightly.

ACTION REQUIRED:

Effective **January 1, 2007:**

- The Standard Utility Allowance (SUA) will increase to \$327 per month.
- The Limited Utility Allowance (LUA) will increase to \$197 per month.
- The telephone allowance will increase to \$29.

CARES will be modified on December 9, 2006 to support these changes.

600.4 Determining the Food Stamp Allotment

DEPARTMENT OF HUMAN RESOURCES FAMILY INVESTMENT ADMINISTRATION	FOOD STAMP MANUAL	
STANDARDS FOR INCOME AND DEDUCTIONS	Section 600	Page 2

A. Determine a household's monthly food stamp allotment by using the Basis of Issuance Tables:

1. Calculate the household's net monthly income.
2. Compare the household's net monthly income to the maximum net monthly income standard, Column B below. Households that are not categorically eligible for food stamps will have net monthly incomes that are lower than or equal to the amounts shown in Column B.
3. Find the allotment by reading in the Basis of Issuance Tables, down to the appropriate income and across to the appropriate household size.

NOTE: A household that is categorically eligible is entitled to any allotment shown in the appropriate column on the tables. Persons in household sizes of one or two and categorically eligible are eligible for a benefit of \$10, even if the tables do not show a benefit amount at their net income levels.
