Customer Declaration Of Disability Form

Complete this form during the initial face-to-face interview **with** all applicants applying for Temporary Disability Assistance Program (TDAP), and Public Assistance to Adults (PAA) benefits and all Temporary Cash Assistance (TCA) applicants and recipients that screen disabled.

PART I
- Print legible
- Complete all requested information

PART II
- Check the box for the system used to determine if the customer has filed a claim for Social Security benefits.
- If all three systems are used, check each box
- Check the appropriate box that indicates the claim status on the SDX, SOLQ or SVES
- Complete the chart indicating whether the TDAP application is based on:
    - ❑ Same impairment as alleged in the Social Security benefit claim
    - ❑ New evidence as alleged in the Social Security benefit claim
    - ❑ New impairment then alleged in the Social Security benefit claim
    - ❑ A different impairment then as alleged in the Social Security benefit claim
    - ❑ A change in the impairment alleged in the Social Security benefit claim
    - ❑ A deterioration in the impairment alleged in the Social Security benefit claim
- File the completed form in the case record
