

DIANE ELIZABETH HOFFMANN

UNIVERSITY OF MARYLAND SCHOOL OF LAW
500 W. BALTIMORE STREET
BALTIMORE, MD 21201
(410) 706-7191

e-mail: dhoffman@law.umaryland.edu

EDUCATION:

HARVARD LAW SCHOOL, J.D. cum laude. Cambridge, MA

HARVARD SCHOOL OF PUBLIC HEALTH, M.S. in Health Policy and Management.
Course work included epidemiology, biostatistics, operations research,
reimbursement systems, economics, decision analysis, and program evaluation.
Boston, MA

DUKE UNIVERSITY, A.B. magna cum laude, Public Policy (Concentration in health
policy). Durham, NC

EMPLOYMENT:

July 2012- present **UNIVERSITY OF MARYLAND SCHOOL OF LAW.** Professor of Law, Director,
Law & Health Care Program (2014- Jacob A. France Professor of Health Law)

August 1999 - July 2012 **UNIVERSITY OF MARYLAND SCHOOL OF LAW.** Professor of Law, Associate
Dean for Faculty and Program Development (1999 – 2006); Associate Dean for
Academic Programs (2007 – 2012); Director, Law & Health Care Program
(March 2001 - present); Interim Director (Aug. 1999 - March 2001).

July 1998- August 1999 **UNIVERSITY OF MARYLAND SCHOOL OF LAW.** Professor of Law and
Associate Director, Law & Health Care Program. Courses: Legal Methods - Torts,
Law & Medicine, Legal Problems of the Elderly, Critical Issues in Health Care, Law
& Biomedical Sciences Seminar: Research with Human Subjects, Health Care for
the Poor.

June 1995- June 1998 **UNIVERSITY OF MARYLAND SCHOOL OF LAW.** Assistant Professor of Law.
Acting Director, Law & Health Care Program (Jan. through July 1998).

June 1994- May 1995 **U.S. SENATE, SUBCOMMITTEE ON AGING (on leave from University of
Maryland School of Law).** Senior Congressional Fellow. Worked on Health Care
Reform with emphasis on women's issues and issues for senior citizens,
reauthorization of the Older Americans Act, and the White House Conference on
Aging. Position also involved work on issues of relevance to Maryland health care
institutions and health care providers as Subcommittee chaired by Senator Barbara
Mikulski (D., MD) during 103rd Congress. Served as Acting Staff Director of
Subcommittee from October 1, 1994 - January 9, 1995 and February 27 - May 15th,
1995. Washington, D.C.

1987- 1994 **UNIVERSITY OF MARYLAND SCHOOL OF LAW.** Law School Associate
Professor (1992-1994); Law School Assistant Professor (1987-1992). Position
involved teaching at the Law School, and lecturing at the Medical School and other
health professional schools at the University of Maryland in the areas of health
care law and legal problems of the elderly; research in the area of legal and ethical
issues in the delivery of health care and in biotechnology; and assisting in the long
term development of the Law School's Law and Health Care Program.

Baltimore, MD

1986- **DEWEY, BALLANTINE, BUSHBY, PALMER & WOOD.** Associate. Practice
1987 included work in the areas of health, environmental and food and drug law. Worked
for former Secretary of Health, Education and Welfare, Joseph Califano, who was
managing partner of the firm. Washington, D.C.

1980- **MASSACHUSETTS EXECUTIVE OFFICE OF ENVIRONMENTAL AFFAIRS.**
1983 Policy Analyst. Advised the Secretary of Environmental Affairs on policy issues
including the regulation of hazardous waste disposal, strategies for dealing with acid
rain, and the cleanup of PCBs in New Bedford Harbor. Served as Acting Director of
the Hazardous Waste Facility Site Safety Council and consultant to the Department of
Environmental Management in the drafting of regulations for the siting of hazardous
waste treatment facilities in Massachusetts. Position involved extensive writing, public
speaking, work with industry representatives, legislators, state and local officials and
management of a small professional staff. Boston, MA

1977- **CLINICARE FAMILY HEALTH SERVICES, INC.** (a private, non-profit, primary
1978 health clinic and home health agency). VISTA volunteer. Designed and executed
community health needs survey, wrote grant proposal for alcohol and drug education
program for the elderly (funded by the Department of Social and Rehabilitative
Services), assessed medical manpower needs and prepared application for
designation as a Medical Manpower Shortage Area. Also responsible for fundraising,
program evaluation, and community relations. Kansas City, KS

1977 **INTERNATIONAL HEALTH RESOURCE CONSORTIUM AND UNITED NATIONS
DEVELOPMENT PROGRAM.** Program Coordinator of model project to channel
private sector resources to community initiated health projects in developing countries.
Conducted studies of health needs and community dynamics in Costa Rican village,
met regularly with private sector and Ministry of Health officials, coordinated activities
of the local, national and international groups involved in the project. Costa Rica, CA

CURRENT/RECENT APPOINTMENTS AND BOARD MEMBERSHIPS

MEMBER, Scientific Advisory Board, Center for Gut Microbiome Research and Education,
American Gastroenterological Association
Member, Composite Committee, United States Medical Licensing Exam (USMLE).
Chair, Maryland Stem Cell Commission
Member, Editorial Board, Journal of Medical Regulation (a journal of the Federation of State
Medical Boards)
Co-Chair, Advocacy Committee, US Association for the Study of Pain (USASP)
Member, Executive Committee, Center for Advancing Chronic Pain Research, University of
Maryland, Baltimore

MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

Member, D.C. Bar (1986 – present, inactive status)
Member, ABA, Tort and Insurance Practice Section (1996 - 1997)
Member, ABA, Health Law Section (1988 - present)
Member, American Society of Law, Medicine & Ethics (1988 - present) Board member,
2008 – 2014; President of Board (2010-2011)
Member, AALS, Law, Medicine & Health Law Section (1989 – present) Chair (2009),
Program Chair (2008); Secretary (2007)
Member, University of Maryland Medical System IRB (2000-2001)
Member, American Law Institute (2012 – present)
Member, US Association for the Study of Pain (2021- present)

Facilitator, Moderator & Organizer, DTC Microbiome-based Testing Working Group Meeting # 3, Oct. 17-18, 2022. (funded by NIH grant)

"Direct to Consumer Microbiome-Based Tests – Stakeholder Perceptions and Implications for the Regulatory Framework," Food & Nutrition Conference & Expo Oct. 10, 2022 (Orlando, FL)

"Healthy Empowerment: Why women need to advocate for their health care." State of the Woman 2022, Sept. 19, 2022 (Baltimore, MD)

"Implications of Consumer Fraud Decision for Pharmacogenomic Testing," Annual Health Law Professors Conference, Arizona State University School of Law, Phoenix, AZ, June 2, 2022.

Moderator, Improving Access to Care Through Telemedicine: Opportunities & Challenges, at Addressing Legal and Regulatory Barriers to Increase Access to Healthcare Through International Telemedicine Round table, organized by Law & Health Care Program. April 7-8, 2022.

Medical Malpractice in the Time of COVID-19, University of Maryland School of Medicine Bioethics Lecture, Feb. 7, 2022

Facilitator, Moderator & Organizer, DTC Microbiome-based Testing Working Group Meeting # 2, Feb. 3 – 4, 2022. (funded by NIH grant)

Presenter, DTC Microbiome-based Testing Working Group; Proposal for Regulating Analytical Validity of DTC Microbiome-Based Tests. Feb. 3, 2022. (funded by NIH grant)

Presenter: Pandemic Scarce Medical Resource Allocation Decisions: Can States Consider Sex? Should they? Legal Theory Workshop, University of Maryland Carey School of Law, Sept. 30, 2021.

Organizer, moderator & facilitator, Charm City Colloquium (with Johns Hopkins Berman Bioethics Institute) Sept.

9-10, 2021.

Feminist Issues Emerging from the Human Microbiome, ICON conference, July 8, 2021 (held virtually)

Facilitator, Moderator & Organizer, DTC Microbiome-based Testing Working Group Meeting # 1, June 16 – 17, 2021. (funded by NIH grant)

“Pandemic Scarce Medical Resource Allocation: Can States Consider Sex? Should they?” Annual Health Law Professors Conference, virtually held by Northeastern School of Law and American Society of Law, Medicine & Ethics (June, 2021) (Panel Organizer, panel topic: New Perspectives on Discrimination Raised by the COVID Pandemic)

““Legal Treatment of Women’s Vaginal Microbiota: Another Example of the State taking Control of our Bodies” OR “Feminist Issues Emerging from the Human Microbiome,” Law & Society Meeting, panel on “Bodies in Law” held virtually (May 30, 2021).

“IVF Add-Ons: Scientific, Ethical, Regulatory, and Legal Considerations” panel on Regulating new Reproductive Procedures, Petrie Flom Center, Harvard Law School, held virtually (Nov. 10, 2020)

“Stem Cells: Assessing the Cutting Edge Gene Design & Novel Therapies” panelist, sponsored by Great Talk, Inc and the Alexander Grass Humanities Institutes, Johns Hopkins University, held virtually (Oct. 2, 2020)

“Legal and Ethical Tensions during a Public Health Pandemic” (panelist) at Lessons Learned:: Ethical Dilemmas Faced During the COVID-19 Pandemic, Annual Ethics Lecture, sponsored by the Center for a Healthy Maryland and the MedChi Committee on Ethics & Judicial Affairs (Sept. 24, 2020)

“Pandemic Policies and Practices: A Conversation on Legal Liability, Immunity, and Retaliation During the Pandemic,” Mid-Atlantic Regional Public Health Training Center (May 26, 2020)

“Legality and Challenges to Rationing Medical Resources” (Podcast, Part 1), COVID 19 Law and Policy Briefings, sponsored by The George Consortium, The Week in Health Law and Public Health Law Watch (April 2, 2020) <https://www.publichealthlawwatch.org/covid19-briefings>

Testimony at FDA Part 16 Hearing on Use of Fecal Microbota for Transplantation to Treat *Clostridium difficile*, Silver Spring, MD (White Oak) November 4, 2019.

“Regulation of Direct-to-Consumer Genetic Tests,” DTC Genetic Testing: What needs to be done to get this Business ‘Morally Right’? Workshop, Georgetown University Schools of Medicine and Business, Georgetown University, Washington, D.C. (September 12, 2019).

“Legislative Recommendations for improving Chronic Pain in California,” Legislative Briefing, Sacramento, CA (August 14, 2019).

“Bias against Women in the Treatment of Pain?” Healthy Women Science, Innovation & Technology Summit Chronic Pain in Women: Focus on Treatment, Management and Barriers, Ellicott City, MD (July 18, 2019)

“The role of Law in End of Life Care” Dept. of Social Work, University of Maryland Hospital, Baltimore, MD (July 16, 2019)

“Legal obstacles to the Treatment of Chronic Pain,” UMB Confronts Chronic Pain, Baltimore, MD (June 19, 2019)

“Continuing Challenges to the Regulation of New Microbiome Based Therapies” 42nd Health Law Professors Conference, Loyola College of Law, Chicago, IL (June 7, 2019).

“Demystifying Legal Considerations in Clinical Decision-Making” Harbor Hospital Annual Bioethics Conference, Baltimore, MD (May 22, 2019)

“Regulation of Microbiome-Based Diagnostic Tests: What’s the appropriate regulatory framework?” Gut Microbiota for Health World Summit 2019, Miami, FL (March 23, 2019)

“The Role of Law in End of Life Care,” Department of Radiation Oncology, University of Maryland Hospital, Baltimore, MD (March 8, 2019)

“Ethical and Legal Issues in End of Life Care: Right to Try & Physician Assisted Dying,” Humanism Symposium, University of Maryland School of Medicine, Baltimore, MD (Feb. 27, 2019)

Webinar: “The Regulation of Probiotics: New Regulatory Challenges,” American Gastroenterological Ass’n Feb. 13 & 22, 2019.

“Medically Ineffective Treatment: The Legal Perspective” Global Health Forum: Medically Ineffective Treatment for Children in the US, Malawi and Beyond, University of Maryland Baltimore (Feb. 11, 2019)

“Using the law to improve the treatment of chronic pain,” California Pain Summit, California Endowment, Los Angeles, CA (Nov. 2, 2018).

“Physicians and the Supreme Court,” Annual Health Law Professors Conference, Case Western Reserve Law School, Cleveland, OH (June 8, 2018).

Ethical and Legal Issues in End of Life Care: Right to Try & Physician Assisted Dying, University of Maryland School of Medicine, Medical Ethics Interest Group, Baltimore, MD (April 20, 2018)

Regulating Microbiota Transplants: Justice Issues, The Berman Institute Retreat, Johns Hopkins University, Baltimore, MD (April 11, 2018)

Regulatory Considerations for Microbiota Transplants, Crohn’s & Colitis Foundation Congress, Las Vegas, NV (Jan. 18, 2018).

Legal and Ethical Challenges to the Treatment of Chronic Pain Patients, Johns Hopkins School of Medicine, Blaustein Pain Research and Education Grand Rounds, Baltimore, MD (Oct. 27, 2017).

Why the Federal Strategy for Rescheduling Marijuana is Unlikely to work (or disingenuous), Annual Health Law Professors Conference, Georgia State University, School of Law, Atlanta, GA (June 10, 2017)

Microbiota-targeted Therapies: New Regulatory Challenges for FDA, 4th annual World Congress on Ethical, Legal and Social Issues (ELSI) associated with the Human Genome Project (June 7, 2017)

The Historical Evolution of Physician Assisted Suicide Laws, University of Maryland School of Medicine, History of Medicine Lecture Series. April 13, 2017.

Chronic Pain Management and Opioid Abuse: We Need a “Fix”, Panelist, University of Maryland Center to Advance Chronic Pain Research, Nov. 17, 2016.

From End-of-Life Care to the Human Microbiome: The Evolution of a Scholarly Agenda, Investiture as Jacob A. France Professor of Health Law, University of Maryland School of Law (Nov. 10, 2016).

Social Media and Health Care: The Good, the Bad and the Ugly, Anne Arundel Medical Center, July 6, 2016.

New Regulatory Challenges posed by the Human Microbiome Project, ASLME Health Law Professor’s

Conference, Boston University School of Law, Boston, MA (June 4, 2016)

Microbiota-targeted Therapies from Probiotics to Transplants: New Regulatory Challenges, University of Minnesota, Lecture series sponsored by Consortium on Law and Values in Health, Environment & the Life Sciences, Minneapolis, MN (April 19, 2016)

Federal Regulation of Probiotics: An Analysis of the Existing Regulatory Framework, at FDA sponsored symposium on "Linking the Microbiome to Health, Safety and Regulation," FDA, College Park, MD (Sept. 29, 2015)

Medically Ineffective Treatment in Maryland, Prince George's Hospital Center CME Lecture, Cheverly, MD (April 30, 2015)

Federal Regulation of Probiotics, Microbiota & Health Workshop, International Life Sciences Institute, Washington, D.C. (April 27, 2015)

How will the practice of defensive medicine affect the ability of the Maryland Health Services Cost Review Commission to implement its new global budget reimbursement model? Maryland Health Services Cost Review Commission, Baltimore, MD (Jan. 9, 2015 and March 11, 2015).

Religious, Medical, and Legal Perspectives on End of Life Issues, Panelist, University of Maryland Baltimore interprofessional Conference, Baltimore, MD (Nov. 10, 2014)

Does Research on the Human Microbiome raise unique ethical or legal issues? Institute of Medicine Annual Meeting, National Academy of Sciences Washington, D.C. (Oct. 19, 2014).

Reconfiguring Scope of Practice Boundaries, Annual Health Law Professors Conference, University of California Hastings College of Law, San Francisco, CA (June 7, 2014)

Learning at Lunch Series: End of Life Decision-making. University of Maryland School of Law (April 28, 2014).

"A Dialogue about Personal Responsibility in Health Care: Ethical and Legal Perspectives," (with Dr. Janyne Althaus) Johns Hopkins Berman Bioethics Institute (April 24, 2014).

Grand Rounds, Analyzing the Existing FDA Regulatory Framework for New Products: A case study focusing on Probiotics," University of Indiana School of Law (March 6, 2014).

Minnesota Public Radio, The Daily Circuit "Why Women are More Likely to Suffer from Chronic Pain," Feb. 26, 2014.

The U.S. Legal Response to HIV: Public Health and Discrimination, University of Malawi, Chancellor College of Law, Zomba, Malawi, June 19, 2013.

An Interdisciplinary Global Health Learning Project in Malawi, Annual Health Law Professors Conference, Seton Hall Law School, Newark, NJ, June 7, 2013.

A Modified Private Right of Action for false or misleading health claims under the Federal Trade Commission Act: Would it Help? Annual Health Law Professors Conference, Seton Hall Law School, Newark, NJ, June 7, 2013.

Legal Issues in Integrative Medicine, Health Wellness Conference, sponsored by the Center for Integrative Medicine, University of Maryland Baltimore, Baltimore, MD, May 4, 2013.

Legal and Ethical Challenges in Large-Scale Genome Sequencing, at Genomics and Clinical Medicine, sponsored by Leadership Maryland and University of Maryland School of Medicine, Institute for Genome Sciences, Baltimore,

MD, April 11, 2013.

Legal Issues In Probiotic Regulation, at Issues in Medical Ethics 2012, 23rd New York Regional Conference, Mount Sinai School of Medicine, New York, NY. Oct. 12, 2012

Department of Medicine Grand Rounds, University of Maryland Medical Center, "Medically Ineffective Treatment" Oct. 3, 2012, Baltimore, MD.

Presentation to Maryland Board of Physicians, Recommendations to improve Complaint Resolution Procedures, July 25, 2012. (with Dr. Jay Perman, President, University of Maryland, Baltimore; Dr. Donald Sweikert, former member of the Kentucky Board of Physicians, and Barbara Klein, Associate Vice President, Government and Community Affairs, University of Maryland, Baltimore)

Organizer and facilitator: "Navigating Communication Landmines in Ethics Consultation," Conference sponsored by the Maryland Health Care Ethics Committee Network, Carroll Hospital Center, June 13, 2012.

"Human Subjects Research Regulations: Proposals for Reform – Research on the Human Microbiome" 35th Annual Health Law Professors Conference, Sandra Day O'Connor College of Law, Arizona State University, Tempe Arizona, June 8, 2012.

"Informed Consent Issues related to research on the Human Microbiome" at Health Law & Bioethics Roundtable: Human Subjects Research Regulations: Proposals for Reform, co-sponsored by the University of Maryland Law & Health Care Program and the Johns Hopkins Berman Bioethics Institute, April 27, 2012. (co-organizer and speaker)

"Should States Be Establishing Dispensaries to distribute Medical Marijuana" at "Balancing Science and Politics: The Challenges of Implementing Medical Marijuana Laws" co-sponsored by the University of Maryland Law & Health Care Program, the Network for Public Health Law, and the University of Maryland School of Pharmacy Center on Drugs and Public Policy (April 13, 2012) University of Maryland School of Law (Convener, Moderator and Speaker)

"The Ethics of Health Claims and a Comparison of Health Claim Regulation in the US and EU", 3rd TNO Beneficial Microbes Conference: International Conference on the Health Impact and Future Potential of Beneficial Microbes, Noordwijkerhout, The Netherlands (March 27, 2012)

"Legal and Regulatory Implications of the Human Microbiome Project", Human Microbiome Project ELSI (Ethical, Legal and Social Issues) Meeting March 2, 2012, Baylor College of Medicine, Houston, TX.

Organizer and Moderator, Third Working Group Meeting on NIH funded Project under the Human Microbiome Project: Federal Regulation of Probiotics, Feb. 16-17, 2012, University of Maryland School of Law

"Ethics and the Dental Profession", University of Maryland School of Dentistry, lecture to third year dental students, Nov. 30, 2011.

"Federal Regulation of Probiotics: An Analysis of the Existing Regulatory Framework and Recommendations for Alternative Frameworks," University of Maryland School of Pharmacy, Center for Drugs and Public Policy, Faculty Forum (Nov. 28, 2011)

"Medical Marijuana: Policy and Research Considerations" National Institute of Drug Abuse, (with faculty from University of Maryland Center for Drugs and Public Policy), November 9, 2011, Rockville, MD

"Are Federal Actions Regarding the Operation of Medical Marijuana Dispensaries at Odds with Public Health and Safety Goals?" Annual Meeting of the American Public Health Association, Oct. 31, 2011, Washington, D.C.

"Clarifying Maryland Law on Medically Ineffective Treatment" Roundtable for Maryland hospital legal counsel and risk managers sponsored by the Maryland Health Care Ethics Committee Network, Sept. 28, 2011, University of

Maryland, Baltimore.

“Federal Regulation of Probiotics: An Analysis of the Existing Regulatory Framework and Recommendations for Alternative Frameworks” 34th Annual Health Law Professors Conference, June 9-11, 2011, Philip H. Corboy Law Center, Chicago, IL

Organizer and Moderator, “Balancing Public Health and Individual Liberties: Exploring New Options in Outpatient Treatment,” Conference sponsored by: University of Maryland Schools of Law, Medicine and Social Work, Baltimore, MD (April 25, 2011)

Lecturer, The Annual Paul A. Pumpian Lecture, “The Evolving Medical Marijuana Legal Landscape,” Department of Pharmaceutical Health Services Research, University of Maryland School of Pharmacy, Baltimore, MD (April 18, 2011)

Organizer and Moderator, Adolescent Decision-Making Roundtable, University of Maryland School of Law, Baltimore, MD (April 15, 2011)

“Federal Regulation of Probiotics: An Analysis of the Existing Regulatory Framework and Recommendations for Alternative Frameworks,” Probiotics and Clinical Metagenomics Working Group, Human Microbiome Project, organized by researchers at the Cleveland Clinic and Case Western University, Cleveland, OH (April 4-5, 2011)

Facilitator, “Balancing Access, Safety & Quality in a New Era of Telemedicine,” Federation of State Medical Boards, Washington, DC (March 10, 2011)

Organizer and Moderator, Second Working Group Meeting on NIH funded Project under the Human Microbiome Project: Federal Regulation of Probiotics, Feb. 3- 4, 2011, University of Maryland School of Law

Planning Committee Member & Facilitator, “Approaching Death, Fourteen Years Later: Where Are We Now?” Institute of Medicine, Washington, DC (January 14, 2011)

Maryland Telehealth Roundtable, “Legal Impediments to the Dissemination of Telemedicine”, sponsored by Rural Maryland Council, Annapolis, MD (December 6, 2010)

Barriers to Pain Management Staff Briefing for California Legislative Women’s Caucus, “Legal Obstacles to the Treatment of Pain”, (Webcast) (December 1, 2010)

Medical Futility & Maryland Law Conference, “Findings from a State Survey of Hospital Counsel, Risk Managers, and ICU Physicians Regarding Maryland’s Health Care Decisions Act”, sponsored by the Maryland HealthCare Ethics Committee Network, Baltimore, MD (November 30, 2010)

WYPR Midday with Dan Rodricks, “A Discussion of If, When and How to Stop Costly and Futile Treatments on Terminal Patients,” Baltimore, MD (November 22, 2010)

American Society for Pharmacy Law (ASPL) Conference, “The Evolving Legal Landscape for Medical Marijuana”, Palm Springs, CA, (November 21, 2010)

Organizer and Moderator, First Working Group Meeting on NIH funded Project under the Human Microbiome Project: Federal Regulation of Probiotics, June 14, 2010, University of Maryland School of Law

“Medical Marijuana: Is It a Crime? Should It Be? Is It Good for You?” 33rd Annual Health Law Professors Conference, June 3-5, 2010, University of Texas at Austin, Austin, TX

Moderator, Panel on Risk Evaluation and Mitigation Strategies, conference on “Emerging Issues in Food & Drug Law,” University of Maryland School of Law (Nov. 16, 2009)

“Ethical Issues of Rationing During a Pandemic Flu,” Maryland Health Care Ethics Committee Network, University of Maryland School of Law (Oct. 27, 2009)

“Gender Disparities in the Treatment of Pain,” Maryland Women’s Law Center forum on “Is Women’s Health Taken Seriously?” University of Maryland School of Law (October 20, 2009)

“The Challenges of Crafting an Educational Curriculum in Interdisciplinary Settings”, Conference on Interdisciplinary Collaborative Education: Partnerships Between Law Schools and the Health Professions, Georgia State Law School, Atlanta, GA, (Sept. 25, 2009)

“The Disparity Toward Women in Pain”, Second Annual Women in Pain Conference: Gender Matters – Building Bridges to Optimum Health, Los Angeles, CA, (Sept. 18, 2009)

“Rationing Scarce Medical Resources During a Pandemic Flu” The University of Maryland School of Law Annual 9-11 Commemoration Event: Adapting to New Threats: H1N1 Flu and You”, University of Maryland School of Law, Baltimore, MD, (Sept. 16, 2009)

“Using the beginning of a formal meeting to defuse conflict,” at MHECN Health Care Ethics Committee Network at the Law & Health Care Program, University of Maryland School of Law – Fine Tuning Clinical Ethics Consultation Conference, June 8, 2009, Franklin Square Hospital Center, Baltimore, MD

“Physicians Who Break the Law – What It Tells Us about Them and about the Law,” ASLME 32nd Health Law Professors Conference, June 4, 2009, Case Western Reserve University School of Law, Cleveland, OH

Participant, Santa Clara Leadership Education Roundtable, May 1, 2009, Santa Clara University, Santa Clara, CA

Organizer and Moderator for Panel on, “Comparative Health Law: What Can the U.S. Learn from Other Countries?”, AALS Annual Meeting - Law, Medicine and Health Care Section, January 8, 2009, San Diego, CA

Greenwall Lecture, “Judging Genes: Implications of the Second Generation of Genetic Tests in the Courtroom,” December 8, 2008, Bloomberg School of Public Health, Baltimore, MD

Berman Lecture, “Case Studies: Genetics in the Courtroom,” December 8, 2008, Bloomberg School of Public Health, Baltimore, MD

“Are Ethics Committees Doing What We Hoped?”, at MHECN Health Care Ethics Committees & Maryland Law – Time for a Change? Conference, December 3, 2008, Cockeysville, MD

Facilitator, “Disparities in Pain Care,” Pain Summit 2008, “Future Directions in Pain Care,” October 24, 2008, Baltimore, MD

Commentor, “A Theory of Professional Discipline for Character-Related Misconduct”, Health Law Scholars Workshop, St. Louis University, October 18, 2008, St. Louis, Missouri

“Breaking the Law to Treat Patients v. Not Treating to Comply with the Law,” at Richard J. Childress Memorial Conference, “*Still Crazy After All These Years: Is Regulating Physician Practice an Exercise in Futility?*,” October 17, 2008, Saint Louis University School of Law, St Louis, Missouri

Panelist, “State Efforts at Health Care Reform – The Laboratory of the States,” at University of St. Louis School of Law, Faculty Forum, October 16, 2008, St. Louis, Missouri

“Health Care Reform at the National Level,” at Election 2008: A Forum on Health Care Reform and the Presidential Election, September 30, 2008, University of Maryland Medical School, Baltimore, MD

“Is Dying a Public Health Issue”, 31st Annual Health Law Professors Conference, Drexel University College of Law, June 6, 2008, Philadelphia, Pennsylvania

Union Memorial Hospital, Department of Social Work: "Liability and Ethical Issues Facing Social Workers in Health Care" (March 24, 1988).

University of Maryland Medical School, Dean's Conference on Geriatric Care: "Incompetence and Guardianship in the Elderly" (February 25, 1988).

Office of Technology Assessment, U.S. Congress, Workshop on the Regulation of Transgenic Animals (Dec. 1987).

AWARDS, FELLOWSHIPS AND GRANTS

- 2022 Recipient of University of Maryland Distinguished University Professor Award.
- 2019 Recipient of four year grant (1R01HG010571-01) from NHGRI (National Human Genome Research Institute) to assess patient and provider understanding and attitudes toward direct-to-consumer microbiome based tests and to make recommendations as to how these tests should be regulated (principal investigator)
- 2016 JACOB A. FRANCE PROFESSOR OF HEALTH LAW, endowed professorship, University of Maryland School of Law
- 2015 Recipient of two year grant (R24) from NIAID (National Institute of Allergy and Infectious Diseases) to make recommendations on the regulation of microbiota transplants (principal investigator).
- 2014 Recipient of grant from the Maryland Health Services Cost Review Commission to examine the impact of the practice of defensive medicine on Maryland's new global budgeting model for reimbursement of hospitals.
- 2014 Recipient of Jay Healey Distinguished Health Law Teachers Award (awarded by the American Society of Law, Medicine & Ethics)
- 2013 Dean's Consultant, Robert Wood Johnson Foundation Public Health Law Fellows Program
- 2010 Consultant – Longitudinal Analysis of the Effect of Non-Medical Exemptions to State School Immunization Laws on Vaccine – Targeted Diseases Study funded by Robert Wood Johnson Foundation, Public Health Law & Research Program (Tony Yang, George Mason University, PI)

- 2010 Advisory Committee, Robert Wood Johnson Eastern Regional Public Health Law Network – instrumental in University of Maryland School of Law receiving \$1.6 M grant to establish the Network
- 2009 Received \$500,000 grant (R01) from National Human Genome Research Institute for 3 year project on the regulation of probiotics (principle investigator)
- 2009 Principle Investigator for project to evaluate cost effectiveness of mediation in Maryland. (Grant received from the Maryland Administrative Offices of the Courts (AOC) (\$800,000 budget))
- 2009 Received award from The Daily Record as one of Maryland's 100 Top Women 2009
- 2008 Received grant from the Public Health Law Association (funded by the Robert Wood Johnson Foundation) to prepare a paper on increasing public health law capacity at the local level
- 2006 Received grant from the Center for Medicare Advocacy (supported by the Commonwealth Foundation) to evaluate the performance of QIOs (Quality Improvement Organizations) in responding to Medicare Beneficiary Complaints and to suggest alternatives to QIOs in performing this task
- 2003 Received grant from the U.S. Dept. of Energy to hold a workshop on Future Public Policy and Ethical Issues facing the Agricultural and Microbial Genomics Sectors of the Biotechnology Industry
- 2001 Received grant from the Mayday Scholars fund to conduct an empirical study of changes in attitudes and practices of State Medical Boards regarding disciplinary actions of physicians prescribing opioids.
- 2001 Received grant from the Borchard Foundation Center on Law & Aging to study the impact of fraud and abuse laws on the utilization of hospice services by nursing homes.
- 1999 Received second grant from American Society of Law, Medicine & Ethics (sponsored by Mayday Scholarship Fund) to study institutional barriers to pain management.
- 1999 Received grant from the Marjorie Cook Foundation to study gender bias in the treatment of pain.
- 1998 Co-principal investigator (with Executive Director, American Society of Law, Medicine & Ethics) on project to study obstacles to pain management in Connecticut. Study funded by Donaghue Medical Research Foundation (Hartford, Conn.).
- 1997 Principal investigator of project to assess "competency" (skills and knowledge base) of ethics committee members performing ethics consults. Study funded by the Greenwall Foundation (New York, NY).
- 1997 Received grant from the American Society of Law, Medicine & Ethics (sponsored by Mayday Scholarship Fund) to study issue of pain management in managed care.
- 1996 Received grant (with R. Wolf and R. Granat) from National Center for Automated Information Research for demonstration project to evaluate "on line" mediation of family and health care disputes.
- 1993 Received grant from the Geriatrics & Gerontology Education & Research Program, at UMAB, to conduct study of elderly outpatients' knowledge of and attitudes regarding advance directives and receipt of life-sustaining treatment.
- 1992 Received grant from Designated Research Initiative Fund to research and write article on theoretical basis for mediating life and death decisions.
- 1992 Part of team that received grant from NIH Human Genome Project to assess how new genetic information will affect our notions of health, disease, normality and abnormality.

- 1990 Received grant from GTE Foundation on behalf of Law & Health Care Program for Lecture Series on Understanding the New Issues in Genetics.
- 1989 Received Distinguished Program Award for work on development of Law & Health Care Program from Maryland Association for Higher Education.
- 1989 Received grant from National Health Lawyer's Association to study operation of hospital ethics committees in Maryland, Virginia and D.C.
- 1978-1980 Public Health Service Training Grant (for graduate study at Harvard School of Public Health).

SERVICE

SERVICE TO COMMUNITY, PROFESSIONAL AND CIVIC ORGANIZATIONS.

Member, Composite Committee, U.S. Medical License Exam (USMLE) (April 2016 – 2022)

Member, Center for Gut Microbiome Research & Education Strategic Advisory Board, American Gastroenterological Association Feb. 2016 – present)

Member, Mission and Population Health Committee (Committee of the Board of Directors), Holy Cross Health, Silver Spring, MD (*March, 2015 - 2019*)

Member, Editorial Board, Journal of Medical Regulation, a publication of the Federation of State Medical Boards (*2014 – present*)

Member, Maryland Stem Cell Commission (April 2013 – present) (Chair 2022-2024)

Member, Board of Directors, American Society of Law, Medicine & Ethics (2009 –2012); served as President from January 2010 – Dec. 2011.

Consultant to Maryland Department of Health and Mental Hygiene and Board of Physicians to prepare report and present legislative testimony including recommendations on improvements in the functioning of the Board of Physicians. April – July, 2012

Staff to Legislative Task Force on Discipline of Health Care Professionals and Improved Patient Care (prepared Task Force Report and briefed Maryland House Health & Government Operations Committee on Task Force findings and conclusions) (2008- 2009)

CDC Advisory Committee on Immunization Practices (ACIP) workgroup on vaccines during pregnancy and breastfeeding, (2007 - 2008)

External Reviewer, Southern Illinois University Center for Health Law & Policy (November 15-17, 2006)

Member, Ethics Committee, National Hospice and Palliative Care Organization (2005 - 2008)

Member, Editorial Advisory Board, *Food and Drug Law Journal* (Term 2002-2006)

Chair, Board of Advisors, Maryland Health Care Ethics Committee Network (Spring 2000 - present)

Member, Technical Advisory Committee, Maryland Health Care for All (2000-present)

Member, Institutional Review Board, Maryland Health Care Commission (Spring 2000)

Chair, Advisory Board to the Attorney General on Project on Care at the End of Life (1997-1998)

Member, Ethics Committee, Baltimore VA Medical Center (1990, 1997-1998)

Executive Committee, Maryland Health Care Ethics Committee Network (1997 - present)

Commission on Bioethics, American Association of Homes & Services for the Aging (1996-1999)

Attorney General Task Force to review and make recommendations on amendments to state law regarding participation of cognitively impaired in medical research (1995 - 1998)

Review Panel, National Center for State Courts, project on end-of-life decision making within health care facilities (1995)

Legal Advisor, Choice in Dying (1995 - 1998)

Member, Governor's Task Force on the Implementation of the Maryland Health Care Decisions Act (1994 - 1995)

ABA, Commission on Legal Problems of the Elderly, Advisory Committee "Dispute Resolution Demonstration: Mediating Bioethical Disagreements in Long Term Care" (Spring 1994 - 1996)

Steering Committee, Guardianship Reform Task Force (established by Maryland Office on Aging to recommend changes to state's guardianship laws) (Fall, 1993 - 1995)

Principal author, Senate Bill 664, Maryland Health Care Decisions Act (passed Maryland Legislature, Spring 1993 with amendments)

Co-Chair, Baltimore Area Ethics Committee Network (Spring 1992 - 1994)

Editor, Mid-Atlantic Ethics Committee Newsletter (Spring 1992 - present)

Member, Steering Committee to Advise Nursing Homes on the establishment of Patient Care Advisory Committees, Health Facilities Assn. of Maryland (1990 - 1991)

Member, Ethics Advisory Committee, University of Maryland Medical Systems, Chair, Subcommittee on Evaluation (1990 - 1994)

Member, Clinical Center Ethics Committee, National Institutes of Health, Bethesda, MD (1990 - 1993)

Participant on ad hoc subcommittee of Maryland Bar Association's Health Law Section to review and recommend revisions to the state guardianship, substituted consent, and durable power of attorney statutes (1988 - 1991)

Member, panel established as part of settlement between Baltimore Legal Aid Bureau and Baltimore Area Agency on Aging (AAA) to establish criteria to assist local AAAs in determining the "best qualified" legal service provider to the elderly, as required under the Older Americans Act (1987 - 1988)

Commissioner, Montgomery County Health Planning Commission (1987 - 1988)

SERVICE TO THE LAW SCHOOL OR UNIVERSITY.

Member, UMB Center for Advancing Chronic Pain Research (2017 – present)

Member, School of Law Appointments Committee (2018 – 2019, 2022-2023)

Chair, School of Law Curriculum Committee (2017 - 2018)

Member, School of Law Curriculum Committee (2016-2017, 2019 – 2020, 2020 - 2021)

Chair, School of Law Administrative Committee (2015 – 2016)

Member, School of Law Futures Committee (2013 - 2014)

Member, School of Law MPower Committee (2013 – 2015)

Member, School of Law Admissions Committee (Spring 2013)

Member, Search Committee for the Dean of the University of Maryland School of Nursing (2012)

Member, Campus Strategic Planning Committee, Co-leader of Subcommittee on Interprofessional Education, Research, Clinical and Public Service. (2010-2011)

Member, Search Committee for the Dean of the University of Maryland School of Public Health (2006 – 2007)

Member, Search Committee for the Dean of the University of Maryland School of Medicine (2005- 2006)

Member, Advisory Committee for the Development of the MPH program/School of Public Health at the University of Maryland, Baltimore (2004 – 2007)

Associate Dean for Academic Programs (2004 - 2012)

Associate Dean for Faculty & External Affairs (1999 - 2004)

Director, Law & Health Care Program (Fall 2000 – present)

Interim Director, Law & Health Care Program (1999 – spring 2000)

Associate Director, Law & Health Care Program (1998 - 1999)

Member, Law School Student Environment Committee (1996-1998); Chair (Spring-Fall 1998)

Member, UMAB Committee to Plan for WHO Conference on "Breaking the Cycle of Poverty and Ill Health: Strategies for Healthy Urban Environments" (Spring 1996 - Spring 1997)

Member, UMAB Committee to update Strategic Plan (Fall 1995 - Spring 1996)

Chair, Search Committee, Assistant Vice President for Interdisciplinary and Interprofessional Programs, UMB (Summer 1991 - Spring 1992)

Member, Search Committee for Vice President for Research and Dean of the Graduate School (Spring/Summer 1991)

Acting Director, Law & Health Care Program (Spring 1991, Fall 1995, Spring 1996, Spring 1998)

Law School Strategic Planning Committee (Spring 1991 - Fall 1992)

Faculty Senate (1990-1993)

Law School Curriculum Committee (1988-1990, 1992-1994, 1995, 1996, 2013-2014, 2016-2017)

Search Committee, Chair, Dept. of Epidemiology & Preventive Medicine, School of Medicine (1989)

Advisor, Student Health Law Organization (1989 - present)

Staff Scientist, Center for Public Issues in Biotechnology (1987-1993)

Member, Geriatrics and Gerontology Education and Research (GGEAR) Coordinating Council (1989 - 1991)

Member, Executive Committee, GGEAR (Fall 1991 - Spring 1992)

Member, GGEAR Education Subcommittee (1989 - 1996)

Co-Chair, GGEAR Faculty Subcommittee (1989)

Law School Research Committee (1987 - 88)

Law School Strategic Planning Committee (1987 - 88)

COURSES TAUGHT

Torts (Fall 2019, Fall 2020, Spring 2022, Fall 2022)

Introduction to Torts (Fall 2013, 2014, 2015)

Comparative Health Law (Summer 2017, University of Aberdeen Summer Program)

Legal Analysis & Writing (Fall 2013, 2014, 2015, 2017, 2018)

Biotechnology and the Law Seminar (Spring 1988)

Legal and Social Problems of the Elderly (Fall 1988, 1989, 1991, (LTP) Spring 1994)

College Park – Critical Issues in Health Care (Spring 2019, 2020, 2022, 2023)

Critical Issues in Health Care (Spring 1989, 1990, 1991, 1992, 1993, 1994, 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020)

Health Care Law (Spring 1990, 1991)

HCL: The Patient-Provider Relationship (Fall 2002, 2004)

Law & Biomedical Sciences Seminar: Medical Research (Fall 1998)

Law and Medicine (Fall 1990, Summer 1991, Spring 1996, Spring 1998)

Special Topics Course on Health Care Ethics Committees (Fall 1992)

Health Law Workshop (Fall 1992, Fall 1993, Fall 1995)

Torts-Legal Methods (Fall 1995, 1996, 1997)

Health Care for the Elderly Poor Seminar/Externship (Cardin) (Spring 1997)
