**RE:** SOCIAL SECURITY (RSDI) AND SSI COST-OF-LIVING INCREASE  
AND RELATED INCREASES

**PROGRAMS AFFECTED:** CASH ASSISTANCE, FOOD STAMPS, MEDICAL  
ASSISTANCE

**ORIGINATING OFFICE:** OFFICE OF POLICY, RESEARCH AND SYSTEMS

### Summary:

Historically, Social Security Retirement, Survivors, and Disability Insurance (RSDI) and Supplemental Security Income (SSI) benefits have increased each year. This is usually true for Railroad Retirement and Veterans Benefits also. The mass change process to take these changes into account for grant, food stamp and medical assistance purposes is described in this transmittal.

### Action Required:

Effective January 2000 Social Security (RSDI) and SSI benefits will increase by 2.4 % and Railroad Retirement and Veterans Benefits will also be adjusted by the same percent. Local Departments need to take these changes into account in all affected programs according to the procedures outlined on the following pages.

**NOTE:** COUNT THE INCREASE FOR ALL CASH ASSISTANCE, MEDICAL ASSISTANCE AND FOOD STAMP CASES EFFECTIVE WITH JANUARY 2000 BENEFITS. THERE WILL BE ONLY ONE MASS CHANGE. TAKE THE CHANGES IN THE RAILROAD RETIREMENT AND VETERANS BENEFITS INTO ACCOUNT NO LATER THAN MARCH 2000, AS REQUIRED BY THE CODE OF FEDERAL REGULATIONS.

C - Child living with parents or stepparents whose resources and income are considered in determining the countable income and resources of the child.

- Person(s) living in a Title XIX facility. In terms of SSI benefits effective January 2000, these rates will remain unchanged at \$30 for an individual and \$60 for a couple.

\*\* - The benefit in Column 4 is always \$20 more than the benefit in Column 2. The same relationship exists between Columns 3 and 1.

**\*\*\* Essential Person Increments:**

Living Arrangements	Amount of SSI Increase	Present Benefit	New Benefit
A	\$6.00	\$250.00	\$256.00
B	\$4.00	\$166.33	\$170.33

**Rates and Per Diems:**

PAA Rates Effective 1/00	Rate	Per Diem
Project Home Level A	<b>\$545</b>	<b>\$17.86</b>
Project Home Level B	<b>646</b>	<b>21.18</b>
Project Home Level C	<b>945</b>	<b>30.98</b>
Project Home Level D	1034	<b>33.90</b>
Domiciliary Care	<b>646</b>	<b>21.18</b>

Personal needs allowance for all PAA cases, including DHMH Rehabilitative Residence cases, is still \$82.00.

For purposes of verifying new RSDI/SSI amounts for individual cases, the IEVS, SVES, SDX, 1610 verification supplied by the customer should be used at the next recertification, or at interim change.

The following instructions cover the impact of the RSDI/SSI increases on associated PA cases and PAA populations.

**II. PAA Domiciliary Care and Project Home Cases**

In addition to the RSDI/SSI cost-of-living increases, effective January 2000 Project Home levels A, B and C rates will increase to \$545, \$646 and \$945 respectively. The reason for the increase is to comply with Federal requirements regarding State supplementation levels.

To process PAA cases affected by the RSDI/SSI and/or Project Home increases, follow the guidelines outlined here. For new PAA applications approved in December for

January 2000 benefits, use the new RSDI/SSI amounts and/or Project Home level A, B or C amount, as applicable.

If the PAA case is in an active no pay status and receiving Federal benefits and Project Home Level A, B or C payments are resumed, manually update the case with new RSDI/SSI and/or Project Home Level A, B and C amounts and provide written notice to the customer.

The case manager must track PAA cases in adverse action status, and update the RSDI/SSI and or Project Home level A, B or C amounts after the adverse action period.

A customer living in rehabilitative residences under DHMH's Mental Hygiene Administration will continue to receive the \$82.00 personal needs allowance.

Attached to this Action Transmittal are copies of letters to be sent to operators of Project Home and licensed Domiciliary Care facilities to explain these changes.

### **III. Increase In Railroad Retirement Benefits**

Railroad Retirement (RR) benefits will also be adjusted in January 2000. Implementation of any changes in RR benefits shall take place through established reporting procedures. The case manager should verify new RR benefit amounts and make any necessary changes effective no later than March 2000 benefit issuance. Case managers should use verification provided by the customer or contact regional Railroad Retirement Boards (RRB) for verification.

### **IV. Increase In Veterans Benefits**

According to the Veterans Administration (VA), the cost-of-living increase in the VA pension program will also be 2.4% effective January 2000. The same procedures outlined for effecting Railroad Retirement changes should be followed for changes in VA benefits. Because of the variance in VA pension programs, use certification of benefit amount provided by the customer or contact the local VA office on a case-by-case basis.

### **V. Long Term Care Medical Assistance Cases**

The mass change will adjust the available income and send a notice to the customer and facility.

### **VI. Community Medical Assistance Cases**

Adjustments in these cases will be done by the mass change. The changes will be effective in all active cases, including those preserved for Spenddown.

## **VII. Coverage for Certain Former SSI Recipients under the Pickle Amendment**

The annual review for potential Pickle eligible persons is to be conducted as noted in Action Transmittal #00-12.

## **VIII. CARES**

On 12/3/99, the Social Security and SSI cost-of-living income adjustments (COLA) will be made to CARES Assistance Units (AUs) in active or spend-down status. This process, referred to as Mass Modifications, causes all assistance units to be put through batch eligibility. Batch eligibility examines each AU for all eligibility factors and determines program type, AU status and benefit level. Case managers will receive an alert (#224 Grant Changed in Batch) for any AU with a change in status or benefit level. Also produced, if applicable, are adverse action notices.

CARES will also update the SSA and SSI income fields on cases that are in an active no pay status, providing such income is present on the UINC screen. However, eligibility will not be calculated or notices produced until the case is reactivated. Cases in a pend status with SSI or SSA income should be reviewed so that the income is correctly reflected for January.

Operators of Licensed Domiciliary Care Facilities

Dear Sir or Madam,

Effective January 2000, Supplemental Security Income (SSI) and Social Security benefits will increase by 2.4%. This means that the customer receiving SSI or a combination of SSI and Social Security should receive \$12.00 more per month from the Social Security Administration. Recipients of Social Security benefits only should also receive an increase.

For those customers receiving SSI only, the SSI payment amount will increase by \$12.00 to \$512.00 effective January 2000. The amount the State allows for Domiciliary Care will be increased to (\$646), and the amount the customer is allowed for personal needs (\$82.00) will remain the same. If the only change in the customer's financial situation is the Social Security/SSI increase, then the customer's public assistance check will decrease effective January 2000. Local Departments of Social Services will be notifying customers concerning the change in the amount of their public assistance checks effective January 2000. The customer is responsible for paying for their care with the income they receive.

Please inform customers under your care of these changes. If you have any questions, please contact Rick McClendon at (410) 767-8513.

Sincerely,

Operators of Project Home Facilities

Dear Sir or Madam,

Effective January 2000, Supplemental Security Income (SSI) and Social Security benefits will increase by 2.4%. This means that the customer receiving SSI or a combination of SSI and Social Security benefits should receive an additional \$12.00 per month. Recipients of Social Security benefits only should also be receiving an increase. For those customers that receive SSI only, the SSI payment amount will increase by \$12.00 to \$512 effective January 2000.

The amount the State allows for Project Home levels A, B, C, and Domiciliary Care will also increase effective January 2000. Levels A, B, C and Domiciliary Care will increase to \$545, \$646 and \$945 respectively. Level D will remain at the current rates. The reason for the increase in Level A, B, C and Domiciliary Care only is the need to comply with Federal requirements regarding payment levels states must maintain for certain classes of SSI recipients. Customers will continue to receive \$82.00 for the personal needs allowance.

If customers under your care get Social Security/SSI benefits, there may be changes in their public assistance checks effective January 2000. Local Departments of Social Services will be notifying customers concerning any changes in the amounts of their public assistance checks effective January 2000.

Please inform customers under your care of these changes. If you have questions, please contact Rick McClendon at (410) 767-8513.

Sincerely,

A handwritten signature in cursive script that reads "Robert Everhard / Ch".
