RE: OVERPAYMENT REPAYMENT AGREEMENT (NOTICE 43)

PROGRAM AFFECTED: TEMPORARY CASH ASSISTANCE & FOOD STAMPS

ORIGINATING OFFICE: OFFICE OF POLICY, RESEARCH AND SYSTEMS

SUMMARY:

In October 2001 during an FNS audit it was found that the current version of the Repayment Agreement (Notice **43**) was not in compliance with audit requirements. The **Notice 43** should state, " Any Federal payment may be withheld for failure to repay" instead of "any Federal income tax may be withheld for failure to repay".

Effective August 23, 2002, the **Notice 43** will be modified to comply with FNS audit requirements.
