**RE: INCREASE IN THE MAXIMUM FOOD SUPPLEMENT PROGRAM
ALLOTMENT**

PROGRAM AFFECTED: FOOD SUPPLEMENT PROGRAM (FSP)

ORIGINATING OFFICE: OFFICE OF PROGRAMS

SUMMARY:

On February 17, 2009, the President signed into law the American Recovery and Reinvestment Act of 2009. One provision of the law is an increase in the minimum benefit for one and two person households and the maximum benefit amounts. The increases go into effect April 1, 2009 and will remain effective until the cost of the Thrifty Food Plan (under law prior to the stimulus legislation) exceeds the levels prescribed in the stimulus legislation and results in higher maximum benefit levels.

The eligibility standards have not changed.

ACTION REQUIRED:

Effective April 1, 2009 the maximum benefits will increase as follows:

Household Size	Maximum Allotment
1	\$200
2	367
3	526
4	668
5	793
6	952
7	1,052
8	1,202
Each additional person	150

The minimum benefit for one and two person households will increase to \$16.

CARES was modified on March 7, 2009 effective April 1 to support these changes. CARES will generate a notice to inform households of the change in benefits.

We have attached updated Food Supplement Program Manual pages.

600.4 Determining the Food Supplement Program (FSP) Allotment

A. Determine a household's monthly FSP allotment by using the Basis of Issuance Tables:

1. Calculate the household's net monthly income.
2. Compare the household's net monthly income to the maximum net monthly income standard, Column B below. Households that are not categorically eligible for FSP benefits will have net monthly incomes that are lower than or equal to the amounts shown in Column B.
3. Find the allotment by reading in the Basis of Issuance Tables, down to the appropriate income and across to the appropriate household size.

NOTE: A household that is categorically eligible is entitled to any allotment shown in the appropriate column on the tables. Persons in household sizes of one or two and categorically eligible are eligible for a benefit of \$16, even if the tables do not show a benefit amount at their net income levels.
