PROGRAMS AFFECTED: AFDC, AFDC-UP, and FOOD STAMPS

ORIGINATING OFFICE: OFFICE OF POLICY ADMINISTRATION

The schedule for the child support bonus benefit issuance is attached.

Local departments that use the PC Diskette Child Support system are to contact Margaret Fowler at 767-7266 if they experience problems with meeting time-lines for submitting the diskettes.

In local departments that are up on CARES, the child support bonus benefit will continue to be available on the same date that the AFDC benefit is available during the first week in the month. Resolve any questions or problems by calling the OIM HELP desk at 1-800-347-1350 or (410) 767-7002.
