GENERAL INFORMATION

Historical Sketch

FIVE YEARS AFTER THE COLLEGE OF MEDICINE OF MARYLAND WAS FOUNDED in 1807, the State Legislature authorized it "to constitute, appoint and annex to itself three other colleges or faculties, viz., the Faculty of Divinity, the Faculty of Law, and the Faculty of Arts and Sciences," and charged that "the four colleges or faculties thus united should be constituted an University by the name and under the title of the University of Maryland." Pursuant to this authority the University was organized in 1813, and is thus one of the oldest chartered universities in America.

The first faculty of law was chosen in 1813, when David Hoffman was elected Professor of Law. Shortly thereafter he published "A Course of Legal Study Addressed to Students and the Profession Generally," which recommended a course of study so comprehensive that it required six or seven years for its completion. Supreme Court Justice Story pronounced it to be "by far the most perfect system for the study of law which has ever been offered to the public." Regular instruction in law was begun in 1823, but for lack of proper financial support was suspended in 1836. Probably because Hoffman's ideas of legal education were in advance of his times there were but few students able or willing to spend the time required for his course. The Law School was reorganized in 1869 and in 1870 regular instruction was resumed. Graduates of the school now number more than thirty-six hundred, and include a large proportion of the past and present leaders of the bench and bar in the State, as well as many who have attained prominence in the profession elsewhere.

Two other schools, the Baltimore Law School and the Baltimore University of Law, were organized under charters granted by the State of Maryland. These institutions were subsequently consolidated under the name of the Baltimore Law School in 1911, and in 1913 the Baltimore Law School was in turn merged with the Law School of the University of Maryland. And in 1920 the University of Maryland at Baltimore and the Maryland State College at College Park were combined under the name of the University of Maryland.

Accreditation

The Law School of the University of Maryland is rated as an "Approved School" by the American Bar Association. It is also a member of the Association of American Law Schools, an organization whose purpose is

the advancement of legal education, membership in which is dependent upon meeting and maintaining certain standards as to entrance requirements, faculty, library and curriculum.

It is the only school in Maryland which has been so recognized and which offers what is regarded by the bodies named as proper preparation for the practice of law or whose standards of admission and instruction are those recommended by them. In most jurisdictions graduates of schools not substantially complying with those standards are not eligible to take the bar examinations; and in many jurisdictions, recognition is refused to law study in a school not fully approved by the American Bar Association.

Evening Program

The Law School is presently divided into two divisions, the Day Division and the Evening Division. Substantially the same curriculum is offered in each division, and the standards of work and graduation requirements are the same.

The normal Evening Division course covers a period of four years of thirty-six weeks each, exclusive of holidays. The class sessions are held on Monday, Wednesday and Friday evenings of each week from 6:30 to 10:00 o'clock, leaving the alternate evenings for study and preparation by the student. (A few elective courses are offered on Tuesday evenings and Saturday mornings.)

The Evening Division will be phased out as the evening class entering in September, 1968 completes its normal four year course of study, and effective with the class entering in September, 1969, only applications for the Day Division will be accepted.

Facilities

The buildings of the Schools of Law, Medicine, Dentistry, Pharmacy, Social Work and Nursing, of the University of Maryland are located in the vicinity of Lombard and Greene Streets, in the City of Baltimore.

The Law School occupies a new L-shaped building, of contemporary design, located in the block bounded by Baltimore and Paca Streets. A classroom wing, running along Paca Street, contains a Moot Court Room and Auditorium, a typing room, and locker rooms on the first floor; administrative offices, a classroom and a student lounge on the second floor; and four large classrooms and four seminar rooms on the third and fourth floors. In a library wing, running along Baltimore Street, offices for the *Maryland Law Review* and for student organizations are located on the basement floor; offices for the Law faculty are on the first floor; and the library, with two large reading rooms and two mezzanines devoted to stack space, occupies the top two floors.

The Law Library presently contains over 50,000 volumes and its annual additions average 4,000 volumes. It has excellent coverage in Anglo-American decisional materials and in digests, citators, encyclopedias, and annotated reports that facilitate their use. Its statutory section contains complete sets of the session laws of the 50 states (1900-date), the current annotated codes of these states and a complete set of Shepard's State Citators, which provide essential assistance for research in the statutory field. In addition to its decisional and

statutory materials, the Law Library contains a comprehensive collection of treatises, monographs, loose-leaf services, and legal periodicals for the use of students and faculty in connection with courses and independent research.

The collection is continually expanding to provide materials in new and developing areas of the law. The Law Library is administered by full-time professionally trained librarians aided by student assistants. The library is open on weekdays from 8:30 A.M. to 11:00 P.M., on Saturdays from 9:00 A.M. to 5:00 P.M., and on Sundays from 9:00 A.M. to 9:00 P.M.

Housing Accommodations

The Baltimore Union for students of the Professional Schools is located adjacent to the Professional Schools at 621 West Lombard Street. Application forms may be secured from the Manager's Office, The Baltimore Union, 621 West Lombard Street, Baltimore, Maryland 21201. Rooms will be assigned only on receipt of an application form duly executed and accompanied by the required deposit.

Women students desiring dormitory accommodations may be housed in Parsons Hall, 622 West Lombard Street. This dormitory provides accommodations for nurses, women graduate students and women professional students. Cost of accommodations is similar to the men's housing costs at Baltimore Union. Women students generally take their meals in the Baltimore Union cafeteria.

Student Health Service

The Baltimore Campus of the University maintains a health service facility in the first floor of Howard Hall (660 W. Redwood Street). Office hours are from 8:45 a.m. until 4:30 p.m., exclusive of Saturdays, Sundays and holidays. During emergencies or on weekends, holidays and at night, health service physicians may be called or students may report to the Resident in Medicine at the Hospital, and, if absolutely necessary, to the Accident Room.

At the beginning of the entering year, each student will be given a physical examination. Consultations and operations are arranged through the health service when necessary. All students are required to carry hospitalization insurance equivalent to Blue Cross and it is strongly recommended that all students be covered by Blue Shield or its equivalent to cover physicians' and surgeons' fees.

It is not the function of the Health Service to treat chronic conditions contracted by students before admission or to extend treatment for acute conditions arising in the period between academic years, unless the Health Service recommends it. Insofar as possible students will be given necessary medications for treatment of their illnesses if such medications are available. Those students requiring dental care through the year and who do not have their own dentist available, will, upon request, be referred to the dental clinic for treatment. At this time there is no infirmary connected with the Student Health Service. Students requiring such treatment will either have to be hospitalized or sent to their homes.

REQUIREMENTS FOR ADMISSION

General Rules and Procedures

Applicants for admission are required to have a Bachelor's degree in arts or sciences, or equivalent degree, from an accredited college or university, or be eligible to pursue the combined program discussed on page 6 leading to both an undergraduate degree and a Bachelor of Laws degree. An applicant who is at least 23 years old and has successfully completed at least 90 semester hours of undergraduate work at an accredited college or university may be admitted in exceptional cases, when his maturity, experience, and training are deemed to justify deviation from the rule requiring a Bachelor's degree.

All applicants are required to take the Law School Admission Test administered by the Educational Testing Service. This is a legal aptitude test given at many points within and outside the United States in November, February, April, and August in each year. It is recommended that the test be taken in November prior to the September in which admission is planned; it is not necessary that formal application for admission to the School of Law be made before taking the test. Applicants should write the Educational Testing Service, 20 Nassau Street, Princeton, N.J., for application forms and information as to the test, and should indicate on the application form that their scores should be reported to the University of Maryland School of Law. Results will also be sent to such other law schools as the applicant may designate as well as to the applicant himself. Completed test applications must reach the Educational Testing Service at least two weeks before the test date.

The chief criteria considered by the School in deciding upon admissions are the college scholastic average and the results of the Law School Admission Test, as experience indicates that these criteria are the best available predictors of success in law study. The right is reserved to refuse admission to applicants with sufficient scholastic credit whose presence in the School would be detrimental to the best interests of the School.

Applications may not be filed prior to October 1 for classes entering the following September. Applicants are urged to file their applications as soon after

October 1 as possible AND IN ANY CASE PRIOR TO APRIL 1 since receipt of an application subsequent to that date may prejudice the applicant's chances of acceptance. The deadline for filing is July 1, unless special circumstances are shown to exist warranting a later filing.

An applicant must make the necessary arrangements with the registrar of his current college or university and the registrar of any other college or university he has attended to have an official transcript of his record mailed promptly to the Committee on Admissions, University of Maryland Law School, 500 West Baltimore Street, Baltimore, Maryland 21201.

Applications for the Evening Division will not be accepted effective with the class entering in September, 1969.

PRE-LEGAL STUDY — The School does not prescribe any particular undergraduate courses for admission. Proper preparation for the study of law is generally thought to depend not so much upon the specific courses taken by the pre-legal student as upon the development of capacity to read and comprehend rapidly and accurately, to think precisely, to analyze complex fact situations, and to speak and write clearly and intelligently. Ordinarily a pre-legal student would do well to follow a Bachelor of Arts or Science program with emphasis on courses in English, American and English History, Economics, and Political Science. However, students differ widely in their interests, and are consequently advised to concentrate primarily on subjects which they find of particular intellectual interest and stimulation.

Students planning to take the Maryland bar examination on completion of their law studies are required by the rules as to pre-legal study of the Court of Appeals to include in their pre-legal course at least eight semester hours of English and eight semester hours of history, economics or political science.

TIMES OF ADMISSION — Beginning students are admitted only once a year, at the opening of the fall semester in September. Applicants for admission to advanced standing may be admitted at the beginning of any semester.

ADMISSION TO ADVANCED STANDING—Students meeting the requirements for admission to the school who have, in addition, successfully pursued the study of law elsewhere in a law school which, at the time of such student's attendance, was either a member of the Association of American Law Schools or approved by the American Bar Association may, in the discretion of the Faculty Council, upon presentation of a certificate from such accredited law school showing honorable dismissal therefrom, and the successful completion of equivalent courses therein, receive credit for such courses completed with grades of at least C or the equivalent and be admitted to advanced standing. *No student transferring from another law school will be admitted who is not in good scholastic standing at the school from which he transfers.* No degree will be conferred until after at least one year of residence and study at this school. No admission to advanced standing in the evening division will be approved unless graduation requirements can be met by June, 1972.

INDIVIDUAL COURSES—Law School courses are open only to candidates for the LL.B. degree, except that Alumni of the School and graduates of other American Bar Association approved schools may, with the permission of the Dean, take for credit or audit one or more courses offered by the School for which they have a particular need.

Combined Program of Studies

The University of Maryland offers combined programs in arts or business administration and law leading to the degrees of bachelor of arts or bachelor of science and bachelor of laws. Students pursuing such combined programs will spend the first three years in either the College of Arts and Sciences or in the College of Business and Public Administration at College Park. Then, if accepted by the School of Law, they will begin their law work in Baltimore. Upon the successful completion of the first year in the Day School or the equivalent work in the Evening School they will be recommended for the degree of bachelor of arts or bachelor of science as the case may be; a weighted average of at least C is required on law work submitted in satisfaction of the requirements for either of these degrees. The degree of bachelor of laws will be awarded upon the successful completion of the work prescribed for graduation in the School of Law. Details of the combined courses are included in the catalogs of the College of Arts and Sciences and the College of Business and Public Administration; these may be obtained upon application to the Catalog Mailing Office, University of Maryland, College Park, Maryland 20740.

Registration With The Maryland Bar Examiners

All students intending to practice law in the State of Maryland should carefully examine the rules governing the admission to the Bar of the State of Maryland. Any student who desires to become a candidate to the Maryland Bar must file with the State Board of Law Examiners an "Application for Listing as a Candidate to the Bar." The bar examinations are held in summer (July) and winter (late February or March) each year. To take the summer examination, an Application for Listing must be filed no later than the preceding October 1st. To take the winter examination, an Application for Listing must be filed no later than the preceding June 1st. A filing fee of \$50.00 must accompany the Application for Listing and the applicant must be a Maryland resident. If the Application is filed late, an additional fee of \$15.00 must be paid, unless Maryland residence was not acquired until after the due date.

In addition, at least twenty (20) days before the date fixed for the bar examination to be taken, a Petition to Take the Bar Examination must be filed with the State Board, together with a fee of \$25.00. "Application for Listing" forms and "Petition to Take the Bar Examination" forms may be obtained at the Dean's office.

Further information concerning the examination or matters relating to admission to the Bar may be had upon application to Ward B. Coc, Jr., Esq., Secretary, State Board of Law Examiners, 900 Maryland Trust Building, Baltimore, Maryland 21202.

Non-resident students should become acquainted with the rules of the Bar Examiners in their home state and comply with registration requirements applicable to students beginning law study.

The Student Union fee, payable by all students enrolled in the Professional Schools on the Baltimore Campus, is used to pay interest on and amortize the cost of construction of the Union Building. The Special fee is payable by all full-time students enrolled in the Professional Schools on the Baltimore Campus and is used to finance the equipment needed for the Union Building. All Day Division students carrying as much as 10 credit hours of work are considered full-time students subject to the Student Union fee, and the Special fee, while Day Division students carrying less than 10 credit hours of work need not pay the Special fee but do pay a Student Union fee of \$6.00.

Students wishing to make arrangements for deferred payment of part of their tuition charges must do so with the Finance Office at or prior to registration for the semester for which such charges are imposed.

Definition of Residence and Non-Residence

Students who are minors are considered to be resident students if at the time of their registration their parents have been domiciled in this State for at least six months.

The status of the residence of a student is determined at the time of his first registration in the University, and may not thereafter be changed by him unless, in the case of a minor, his parents move to and become legal residents of this State by maintaining such residence for at least six months. However, the right of the minor student to change from a non-resident to a resident status must be established by him prior to the registration period set for any semester.

Adult students are considered to be residents if at the time of their registration they have been domiciled in this State for at least six months provided such residence has not been acquired while attending any school or college in Maryland or elsewhere.

Time spent on active duty in the armed services while stationed in Maryland will not be considered as satisfying the six-month period referred to above except in those cases in which the student was domiciled in Maryland for at least six months prior to his entrance into the armed service and was not enrolled in any school during that period.

The word domicile as used in this regulation shall mean the permanent place of abode. For the purpose of this rule only one domicile may be maintained.

Rebates

The application fee, matriculation fee, late registration fee and the student activities fee are not subject to rebate. The tuition fee, the Student Union fee, the Special fee and the Student Health fee will be rebated in case of withdrawal of a student during the course of a semester, in accordance with the following schedule:

2 weeks or less	80%
Between 2 and 3 weeks	60%
Between 3 and 4 weeks	40%
Between 4 and 5 weeks	20%
Over 5 weeks	No Rebate

In all cases of withdrawals from school, immediate notice in writing must be given to the Dean. *The effective date for withdrawals, so far as concerns refunds of tuition, is the date that such notice is received in the Dean's Office.*

Scholarships and Loans

APPLICATION PROCEDURES FOR SCHOLARSHIPS AND LOANS—Application forms for scholarships and loans administered by the Law School may be obtained at the Dean's Office, and should be filed there by May 1 preceding the academic year for which the scholarship or loan is to be awarded. Scholarships and loans are awarded for only one academic year and a new application

should be filed to renew a scholarship or a loan for a succeeding year. Applications will be acted upon by the Faculty Committee on Scholarships and Loans after the close of the academic year and the applicants will be notified of the decision as quickly as possible.

Application forms for American Bar Association Loans and Maryland Higher Education Loans may be obtained at the Dean's Office and filed at any time during the academic year.

SCHOLARSHIP POLICIES—The award and amount of a scholarship is based on both scholastic achievement and demonstrated financial need, the weight given each factor varying according to the funds available and the circumstances of each case. The maximum scholarship stipend is \$450 for the academic year. For students already enrolled in the Law School, scholarships are limited to those whose Law School cumulative numerical average is at least 75, unless exceptional circumstances are present. A student who maintains at least a 75 average will usually have his scholarship renewed. The following is a list of available scholarship funds:

ALUMNI ASSOCIATION SCHOLARSHIPS—Established in 1953 by the Alumni Association. A limited number of scholarships carrying tuition will be awarded each year.

ASHMAN SCHOLARSHIPS—Established in 1922 by Mr. Louis S. Ashman, an alumnus of the School of Law, who assigned to the Regents all royalties from the publication of his books on "Prayers and Instructions" and "Directed Prayers and Instructions" to provide a fund for the payment of a scholarship or scholarships to a student or students recommended by the Faculty Council as worthy to receive the same by reason of scholarly attainments and the need of financial assistance. The value of each scholarship is about \$150.00. In accordance with the donor's wishes, preference will be given to former servicemen in making such awards.

WALTER L. CLARK SCHOLARSHIPS—Established in 1957 under the will of the late Walter L. Clark, an alumnus and former member of the Law School faculty. Approximately six scholarships of the value of \$300.00 each will be awarded each year.

LEE I. HECHT MEMORIAL FUND—Established in 1958 in memory of the late Lee I. Hecht of Baltimore by his sons Alan D. Hecht and Isaac Hecht. The fund is administered by the Central Scholarship Bureau, Inc., 5441 Park Heights Avenue, Baltimore 21215.

ROGER HOWELL SCHOLARSHIP—Established in 1962 by the alumni of the school through their Alumni Association on the occasion of the retirement of Roger Howell as Dean of the Law School after 31 years of service as Dean, the endowment provides an annual scholarship of \$300.00.

NEW STUDENT AID FUND—Established in 1964 under the will of Jacob S. New, his \$25,000 bequest, to be known as "The Jacob S. New and Kathryn M. New Student Aid Fund" provides scholarships for male students at the University studying law or taking a pre-law program.

REAL ESTATE TITLE COMPANY SCHOLARSHIP—Established in 1959 by the Real Estate Title Company. A scholarship of \$300.00 will be awarded annually.

THOMAS FUNDS—Established in 1962 under the will of Zaidee T. Thomas, the income from the "William Strobel Thomas Scholarship Fund" and the "John L. Thomas Scholarship Fund" provides pecuniary aid to students at the Law School in the form of both scholarships and loans.

LOAN POLICIES—The Law School student loan program provides financial aid in instances where need is demonstrated, and where the student has a cumulative numerical average of at least 72. These loans may be in addition to, or instead of, a scholarship, and will be granted to law students currently enrolled in the School as long as the conditions of cumulative average and demonstrated need are met. Law School loans are limited to a maximum of \$1,000.00 a year (or \$500.00 a semester). Such loans will be repayable in 20% annual installments over a five-year period, the first installment to be due at the end of the first year following graduation (or termination of law studies) with interest at 2% per annum beginning with the first month after graduation (or termination of law studies). Six per cent interest will be charged for any period during which repayment of principal is in arrears. Loan applicants are encouraged to apply for the entire year, with one half of the loan to be made available each semester.

In addition to the Thomas funds, previously described, there are the following loan funds established at the Law School and available only to law students: **AMERICAN LAND TITLE ASSOCIATION LOAN FUND**—Established in 1965 by a gift of \$1,000 from the American Land Title Association.

ERMAN L. HARRISON LOAN FUND—Established in 1967 through a bequest of \$5,000 under the will of Theresa Harrison in memory of her son.

ALLEN W. RHYNHART STUDENT AID FUND—Established in 1967 by The Bar Association of Baltimore City upon the retirement of Judge Rhynhart, the first Chief Judge of the People's Court of Baltimore City.

STEIN MEMORIAL FUND—A fund originally established for students in need of financial assistance by the late Judge Charles F. Stein of Baltimore and continued in his memory. Small loans of short duration to cover emergencies may be granted out of this fund. Applications should be made to the Dean, under whose control the fund is placed.

In addition to the above Law School loan program, students at Law School are eligible to apply for loans under the National Defense Education Act of 1958. Such loans are available up to \$1,000 for an academic year. The payment of a National Defense Education Act loan begins one year after the borrower ceases to be a full time student and must be completed within ten years thereafter. No interest is charged on the loan until the student graduates. After that date, interest accrues at the rate of 3% per annum.

The School also participates in the American Bar Association Loan program, under which the American Bar Association guarantees loans made by the First National City Bank of New York. Students with a cumulative average of 67 are eligible. Interest on these loans is approximately 6%, and repayment must be made within five years after graduation. The minimum ABA Loan is \$400 and the maximum is \$1,500 a year for Day students and \$1,000 a year for Evening students. These loans are not available to entering students.

Also available to the Law School student is the Maryland Higher Education Loan Corporation's program. This non-profit corporation was organized through legislation enacted in 1963 by the General Assembly of the State of Maryland. Loans are endorsed by the United States Aid Funds, Inc., in agreement with the Maryland Higher Education Loan Corporation, and are made through the Maryland bank of the student's own choosing. These loans are available to first year students, and to those students of advanced standing whose Law School cumulative average is at least 67, as long as they are residents of Maryland. The maximum amount that can be loaned in any year is \$1,500. Repayment begins ten months after graduation or leaving school, with interest at 6% per annum beginning immediately upon the awarding of the loan. Under the Federal Higher Education Act of 1965, however, any student whose adjusted annual family income is less than \$15,000 will be eligible for federal assistance in the payment of interest, namely, all the interest while the student is in school and one-half of the interest during the repayment period following graduation.

ACADEMIC REGULATIONS

Examinations and Attendance

Written examinations are held at the end of the course in all subjects except seminars, the Practice Court and the Legal Aid Clinic. Unless excused by the Dean, all students must present themselves for examination in each subject for which they are registered at the first regular examination held therein in order to receive credit for such course. A student may not drop a course for which he is registered after the third week of a semester, except by permission of the Dean and, if a seminar, the instructor. A course may be audited only with the permission of the instructor. *Students dropping a course or changing from credit to audit must give immediate notice to the Dean's Office. Without special permission from the Dean, a student may not carry in the Day Division less than 12 nor more than 16 hours per week and, in the Evening Division, less than 6 nor more than 12 hours per week.*

The right to take the examination in any course as well as the privilege of continuing as a student in the school is conditioned upon regular attendance. A student who has been absent from more than 25% of the lectures in a course will not be considered eligible to take the examination therein except by special permission of the Faculty Council upon petition filed by him. If this petition is denied or if no petition is filed, he shall receive no credit in the course and in the discretion of the Faculty Council may be assigned a grade of F or required to withdraw from the school, depending upon the circumstances of each case.

A student failing to present himself for examination in any course must report to the Dean as soon as the circumstances which caused the absence will permit and have an acceptable excuse; otherwise a grade of F will be entered.

Grading System and Exclusion Rules

Students enrolled AFTER September 1, 1964: A (excellent), 85-100; B (good), 78-84; C (satisfactory), 67-77; D (passing), 60-66; F (failing), 50-59; and I (incomplete). The grade of I is given only to students who have a proper excuse for failure to present themselves for examinations or to complete any other work that may be required by the instructor. It is not used to signify work of inferior quality. Unless the examination has been taken or the work completed at or before the time of the next examination for the course, the grade of I will be changed to a grade of F (50).

Averages are computed by multiplying the numerical grade for each course by its weight in semester hours, adding the products for each course, and dividing the sum by the number of semester hours taken. The repeating of a course does not erase the previous grade; the new grade and old grade are both counted in determining cumulative averages.

First year students with weighted cumulative averages at the end of the scholastic year below 67.0 will be permanently excluded from the school, unless they have received no grades lower than 67 for work done in the second semester and have carried a normal course load during the second semester. All students other than first year students will be permanently excluded from the

school unless, as of the end of each scholastic year, they maintain (1) weighted cumulative averages, including all work done since entering law school, of 67.0 or better, and (2) weighted averages for the most recent scholastic year of 67.0 or better. This rule is also applicable to any student who withdraws from the school with, at the time of withdrawal, a weighted cumulative average or a weighted average for any work done during the most recent year below what would be required of him at the end of the scholastic year.

Students enrolled PRIOR to September 1, 1964: A, signifying "excellent"; B, signifying "very good"; C, signifying "good"; D, signifying "passed"; F, signifying "failure"; I, signifying "incomplete." Of these, A, B, C, and D are passing grades, but a grade of D can be counted toward graduation only as hereinafter stated. For the purpose of computing the average grade of a student, the following values are assigned to the grades received: A equals 4; B equals 3; C equals 2; D equals 1; F equals 0.

The grade of I is given only to those students who have a proper excuse for failure to present themselves for examinations or to complete any other work that may be required by the instructor in any course. It is not used to signify work of inferior quality. Unless the examination has been taken or the work completed at or before the time of the next examination for the course, the grade of I will be changed to the grade of F.

Students under this grading system with a weighted average at the end of the scholastic year below 1.50 will be permanently excluded from the School, and this rule is also applicable to a student who withdraws from the School with a weighted average at the time of withdrawal below what would be required of him at the end of the scholastic year.

The Faculty Council reserves the right to require the withdrawal of any student whose continued presence would not, in the judgment of the Council, either because of low scholastic standing or other reasons, be of benefit to himself or would be detrimental to the best interests of the School. The Faculty Council also reserves the right to make such changes in the above regulations as may from time to time seem desirable.

Requirements For Graduation

Students enrolled AFTER September 1, 1964: To be eligible for the Bachelor of Laws degree a student must have fulfilled course requirements (see Curriculum), must be in good academic standing (i.e., not subject to exclusion)—(see Grading System and Exclusion Rules), and must have passed courses totaling at least 80 semester hours (repeating a course cannot result in receiving semester hour credit for the course more than once), and must have a weighted cumulative average of at least 67.0.

Students enrolled PRIOR to September 1, 1964: To be eligible for the Bachelor of Laws degree, a student must have fulfilled course requirements (see Curriculum) and have successfully completed courses totaling at least 80 semester hours, in at least three-fourths of which he must have received a grade of C or higher; and any student who has undertaken at least 80 semester hours and who has failed in not more than one subject, may be allowed to graduate if his general weighted average, including such failure, is at least C.

In addition to accumulating sufficient credits, a student must comply with the following residence requirement: In the Day Division, a student must have been in residence for six semesters, and in the Evening Division a student must have been in residence for eight semesters. In the event of transfer from one Division to the other, one semester's residence in the Evening Division will be considered $3/4$ of a semester in the Day Division, and one semester's residence in the Day Division will be considered $4/3$ of a semester in the Evening Division. To illustrate the rule, 3 semesters in the Day Division and 4 semesters in the Evening Division will satisfy the residence requirement; while 2 semesters in the Day Division and 5 semesters in the Evening Division will not satisfy this requirement.

Honors and Prizes

A student who complies with the requirements for graduation and who attains in all work done in courses offered in the School a weighted cumulative average of not less than 79.0 may be recommended by the Faculty Council for graduation with Honor.

The Sam Allen Memorial Prize, established by the Day Division Class of 1950 in memory of their classmate, Harry Samuel Allen, is awarded annually to a member of the graduating class deemed to have demonstrated outstanding qualities of both leadership and scholarship.

The Bridgewater M. Arnold Prize, established in 1963 in memory of Bridgewater M. Arnold, for many years a Professor of Law at the School and its Assistant Dean, by his friends at the Maryland Bar and his faculty colleagues, is awarded annually to the student who has done the best work in Commercial Transactions, which was Professor Arnold's special area of interest.

Under the will of Mrs. W. Calvin Chesnut, the sum of \$1,000.00 was paid to the Regents of the University as an endowment, the annual income to be used for the purpose of giving a prize for good scholarship in a broad sense, to be determined by the Dean of the School of Law annually, to be known as the Elizabeth Maxwell Carroll Chesnut Prize.

Under the will of Judge W. Calvin Chesnut, the sum of \$5,000 was transferred to the Regents of the University in 1962 to provide annual prizes for outstanding excellence in scholarship. The "Judge W. Calvin Chesnut Prizes for Scholarship in Law," so established, are used to recognize outstanding scholastic achievement during the first year of Law School.

The Margaret E. Coonan Memorial Book Prize, established by the Class of 1966 in memory of Margaret E. Coonan, who served as Professor of Law and Law Librarian at the School, is awarded annually to the student who has done the best work in Legal Method.

The Edward H. Curlander Prizes are awarded annually to the students doing the best work in the courses in Estates and Trusts and in Future Interests.

The Judge Morton P. Fisher Memorial Fund Prize, established in 1965 in memory of Judge Morton P. Fisher, Class of 1920, by the law clerks who served him while he was a member of the Tax Court of the United States, and

supplemented by contributions from members of the Section of Taxation, provides the following annual prizes: A \$50 prize to the student who has done the best work in Estate and Gift Taxation and a \$50 prize to the student who has done the best work in Income Taxation.

The Roger Howell Achievement Award, established by the Day Division Class of 1961, is presented annually to an outstanding member of the graduating class who has contributed significantly to the student activities program and whose leadership, scholarship and moral character are representative of the high ideals of the legal profession.

The Samuel S. Levin Prize, given annually in honor of Samuel S. Levin of the Class of 1917 by his children, is awarded to the member of the graduating class deemed by the faculty to have contributed most largely to the School through his qualities of character and leadership while a student.

The Chief Judge Michael J. Manley Honor Key established in 1965 is presented annually by the Maryland Plaintiff's Bar Association to the student deemed most proficient in the field of trial advocacy.

The Nu Beta Epsilon National Law Fraternity Prize was established in 1951 by the Alpha Chapter founded at the University of Maryland School of Law in 1918. Law books are awarded annually to the senior student who is adjudged by the faculty advisor of the *Maryland Law Review* to have submitted the most significant piece of legal writing for publication in the *Review*.

The G. Ridgely Sappington Prize, established in memory of G. Ridgely Sappington, for many years a member of the faculty of the School of Law, is awarded annually to the student doing the best work in the Day Division course in Practice, in which Mr. Sappington was the instructor at the time of his death.

The Stanley L. Seligman Prize, given annually by Mr. Stanley L. Seligman of the Class of 1957, the founder of the Intra-Mural Moot Court program, is awarded to outstanding participants in that program.

The John S. Strahorn, Jr., Memorial Prize, established by the Class of 1956 in memory of Professor John S. Strahorn, Jr., for many years a member of the faculty of the School of Law, is awarded annually to the student judged most proficient in the law of Evidence.

The William Strobel Thomas Prize Fund and the John L. Thomas Prize Fund, each providing an annual \$200 prize, were established in 1962 under the will of Zaidee T. Thomas, under the terms of which the two members of the Senior class who graduate with the highest average for scholarship are each awarded a \$200 prize.

The editors of the *United States Law Week* offer a prize of a year's subscription to the student who, in the judgment of the faculty, makes the most satisfactory scholastic progress during his final school year.

The Law Library

Order of The Coif

The Order of the Coif is a national law school honor society, founded to encourage scholarship and to advance the ethical standards of the legal profession, membership in which depends upon high scholastic attainments. Only those students standing among the first tenth of the senior class are eligible for membership. Elections of seniors to the Maryland Chapter of the Order are held during the last semester of the school year.

STUDENT ACTIVITIES

Student Bar Association

The Student Bar Association is the official student organization and is affiliated with the American Law Student Association, sponsored by the American Bar Association. All students are automatically members by virtue of registration and dues are included in the Student Activities fee. Its primary purpose is to acquaint students with problems of the profession, to foster professional ideals, and to bring about closer contact with the organized Bar. During the course of the year, it publishes a student newspaper, sponsors lectures by members of the bench and bar on various legal and professional problems, conducts various social functions and supports student organizations devoted to criminal law research and legislative research.

The Student Council functions as the executive board of the Student Bar Association and as a coordinating agency between the student body, the school administration and the faculty. Members are elected by vote of their respective classes, but no student with a cumulative academic average below 1.75 (or below 70.0 under the numerical system) may be a candidate for an elective office of his class or of the Student Bar Association. Professor John W. Ester is Faculty Advisor to the Student Bar Association.

Intramural Moot Court Competition

The Student Bar Association sponsors an Intramural Moot Court Competition, primarily for first and second year students, which is governed and administered by a Board of Student Judges. Participation is required of first year day students. An opportunity is afforded to gain valuable experience in argument and presentation of cases and in the legal research incident thereto. Prof. James W. McElhaney is Faculty Advisor to the Moot Court Board.

Maryland Law Review

The Maryland Law Review, appearing quarterly, is published by the Law School with the support and cooperation of the Maryland State Bar Association, the Bar Association of Baltimore City, and the Junior Bar Association of Baltimore City. *The Review* is devoted primarily to the discussion of Maryland law and of questions regarded as of particular interest to Maryland lawyers. Members of the Student Editorial Board may, upon the recommendation of the Faculty Advisor of the *Law Review*, Prof. Hål M. Morris Ames Soper Lectures

The Morris Ames Soper Lectures, established in 1963 in memory of the late Morris A Soper, Judge of the United States Court of Appeals for the Fourth Circuit, have been endowed by the Alumni Association of the Law School and by his former law clerks. A graduate of the class of 1895 and a member of the Faculty of the School from 1918 to 1926, Judge Soper had a long and distinguished career at the bar and on the bench that continued to flourish until his death on March 12, 1963 in his 89th year. The income from this endowment is to be used to provide lectures at the School by distinguished judges, lawyers, and scholars on legal topics of contemporary interest for members of the Maryland Bar as well as for the law students.

Placement Service

The School provides placement assistance to its students and its graduates. Early in their final year, students are encouraged to submit data indicating their plans and preferences. Information concerning current opportunities for law graduates, summer work in law firms, law clerk positions with local courts, and other law-related jobs for students prior to graduation is available at the Office of the Dean.
